

Frederick George Hunt

Gunner, 10th Brigade, Canadian Field Artillery. Enlisted from Canada. Served in France. Wounded September 1918. Died in Casualty Clearing Station, September 30th 1918. Buried at Bucquoy Road, Ficheux.

IT HAS NOT BEEN possible to trace Frederick George Hunt, whose name appears on the Corsham War Memorial but not on that of St Bartholomew's Church. The above information attributed to him in *War Records of Corsham* is incorrect and in fact relates to Frederick Wright. The wording is almost exactly the same.
