APPEALS START DATE: 22 October 2024

Appeals have been made to the Planning Inspectorate in respect of the above site.

THE BREACHES OF PLANNING CONTROL ALLEGED

Without planning permission, operational development comprising the erection of a building

The enforcement notice was issued for the following reasons:

It appears to the Council that the above breach of planning control has occurred within the last four years.

The Land occupies a prominent and elevated position in an open landscape, which is visible from a public highway and a public right of way. The unauthorised development is excessive in scale, and not conducive to a subserviently scaled domestic addition. The unauthorised development does not relate effectively to the immediate setting, nor to the wider character of the area, and it fails to respect the scale and character of surrounding buildings. The unauthorised development is therefore in conflict with Core Policies 51 and 57 of the adopted Wiltshire Core Strategy (2015); Policy CNP HE1 of the Corsham Neighbourhood Plan; and Section 12 (Achieving well-designed and beautiful places) of the National Planning Policy Framework (December 2023).

Wiltshire Council does not consider that planning permission should be granted for the unauthorised development because planning conditions could not overcome the objections to the unauthorised development.

The enforcement notice requires the following steps to be taken:

- a) Demolish the building
- b) Remove all material resulting from requirement a) from the Land.

TIME FOR COMPLIANCE

Within four months from the date this Notice takes effect.

The appellant has appealed against the notice on the following grounds:

- (a) That planning permission should be granted for what is alleged in the notice.
- (f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.
- (g) The time given to comply with the notice is too short.

In addition, the appeal is against the refusal to grant planning permission for Erection of two storey ancillary outbuilding to provide machinery store, garaging and a first-floor home office (retrospective) and proposed landscaping scheme. Details of the application, including the Local Authority's refusal, are available to view on the Local Authority's website on the following link quoting reference PL/2024/03961.

[Planning Application: PL/2024/03961](#)

Both the above appeals will be decided on the basis of the Written Representations procedure. The appeals will be dealt with together and will follow the same timetable.

If you wish, you are now able to make written comments on these appeals. These should be sent in to the Planning Inspectorate, Room 3B, Temple Quay House, 2 The Square, Bristol BS1 6PN, quoting the Inspectorate references, and should be received by the 3 December 2024.

Councillors' decisions on planning applications are based on the information available to them at the time of the meeting.
