Notes: This Application has been restarted due to the red line change on the Site Plan.

From the Case Officer: The red line needed to include parking provision for the existing dwelling as it is currently provided in the land to the side of the house. It was also enlarged to include the extension at the side of the existing house which is to be removed to ensure sufficient spacing between the properties. Also, a window has been removed off the rear elevation at first floor and the front of the dwelling is to be in reconstituted stone instead of render.

7. Planning Appeal Notification

TOWN AND COUNTRY PLANNING ACT 1990

APPELLANTS NAME:	Mr Ross Tunbridge
APPEAL SITE:	Ridgefield Farm, Green Road, The Ridge, Corsham, Wilts SN13 9PW
PLANNING APPLICATION REF:	PL/2023/05206
PROPOSED DEVELOPMENT:	Commercial use of former agricultural buildings (Retrospective)
INSPECTORATE REFERENCE:	APP/Y3940/W/23/3334589
APPEAL START DATE:	21 March 2024

An appeal has been made to the Planning Inspectorate in respect of the above site.

The appeal is against a Refusal in respect of the above site and is to be decided on the basis of the Written Representations procedure.

The Planning Inspectorate has introduced an online appeals service which you can use to comment on this appeal. You can find the service through the Appeals area of the Planning Portal – see <https://acp.planninginspectorate.gov.uk>. Alternatively, you can send your comments to west2@planninginspectorate.gov.uk or Planning Inspectorate, Room 3c, Temple Quay House, 2 The Square, Bristol BS1 6PN, quoting the Inspectorate reference. Comments should be received by **25 April 2024**.

Note: The application was considered on 13 July 2023. Decision - Resolved: to recommend refusal of the application on the grounds that:

- i) The proposal is in an unsuitable location being serviced by narrow lanes which are unadopted; an increase in traffic caused by the proposal would exacerbate existing flooding problems by Monks Lane Pond and concern that the site is becoming a mini-industrial estate;*
- ii) the application is contrary to Core Policy 48 of the Wiltshire Core Strategy which supports the conversion and re-use of rural buildings where it satisfies a number of criteria. This intensification of use would be contrary to criteria ii) ‘...The use would not detract from the character or appearance of the landscape or settlement and would not be detrimental to the amenities of residential areas; and iii) ‘the building can be served by adequate access and infrastructure...’ due to its access being via an unadopted road and vehicles having to travel down a lane which often floods therefore making it an unsuitable location.*

The Town Council is also aware of other enforcement issues within the blue line of the application site such as the non-agricultural occupancy of the dwelling house which are not addressed by this application.

8. Government Consultation - An Accelerated Planning System

This consultation seeks views on proposals to:

1. Introduce a new Accelerated Planning Service for major commercial applications with a decision time in 10 weeks and fee refunds if this is not met.
2. Change the use of extensions of time, including ending their use for householder applications and only allowing one extension of time for other developments, which links to a proposed new performance measure for local planning authority speed of decision-making against statutory time limits.
3. Expand the current simplified written representations appeals process for householder and minor commercial appeals to more appeals.
4. Implement section 73B for applications to vary planning permissions and the treatment of overlapping permissions.

The consultation is available - <https://www.gov.uk/government/consultations/an-accelerated-planning-system-consultation/an-accelerated-planning-system#varying-and-overlapping-planning-permissions>

9. Formal Adoption of Wiltshire Design Guide

Update 25th March 2025 Formal Adoption of Wiltshire Design Guide

Notice is hereby given in accordance with Regulations 11, 14 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012 that the Wiltshire Design Guide Supplementary Planning Document ('WDG SPD') was formally adopted by Wiltshire Council on 25 March 2024.

The WDG SPD sets out the approach to appreciating context and focusing on what is important in design and place-shaping and will ensure future development makes a positive contribution to the physical character and heritage of Wiltshire and to the livelihood of its communities.

This Wiltshire Design Guide is for all designers and decision-makers involved with development proposals within the Local Authority of Wiltshire. It has been prepared to support the implementation of the Wiltshire Core Strategy (WCS) and the allocations set out in the Wiltshire Housing Site Allocations Plan (WHSAP) and thereby helps support the planned delivery of Core Policy 57.

In accordance with Section 23 (1) of the Planning and Compulsory Purchase Act 2004, Wiltshire Council has modified the WDG SPD to take into account representations made in relation to the document and any other relevant matters. The modifications are included in the Consultation Statement.

Any person with sufficient interest in the decision to adopt the WDG SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application for leave to review the decision must be made promptly and, in any case, not later than three months after the date on which the SPD was adopted, 25 March 2024.

The final version of the Design Guide is available here [Wiltshire Design Guide - Wiltshire Council](#), as well as the adoption statement, the consultation report, and the accessible version of the Design Guide. Printed copies of the Design Guide are also available upon request at a reasonable price.
